EXPERIENCE

Nov 2025 — Nov 2026 **Marketing and Sales Specialist, Agurotech B.V.** *Amsterdam*

- Planned and coordinated **international trade shows, fairs, field events, and customer events**, managing booth design, logistics, suppliers, marketing materials, staffing, and on-site execution.
- Developed and executed **online and offline brand campaigns** across social media, email, website, exhibitions, and promotional activities.
- Created and coordinated **sales and POS-style materials** including brochures, banners, roll-ups, booth graphics, product information sheets, and newsletters, briefing designers and printers on time and on budget.
- Supported **B2B sales and lead generation** through trade shows, customer follow-ups, and CRM pipeline management; tracked event leads and campaign results for the commercial team.
- Coordinated with international venues, organizers, suppliers, partners, and internal teams; managed office procurement and supplier coordination.
- Owned multiple cross-functional projects simultaneously in a **fast-paced international scale-up**, from planning and calendars through execution and follow-up.

Feb 2022 — Present **Freelance Trade Event Coordinator & Brand Activation Specialist** *Netherlands & Europe*

- Supported and delivered **100+ international trade shows, exhibitions, and brand events** across the Netherlands and Europe, with a strong focus on **food, retail, and FMCG**.
- **Food & FMCG trade fairs: SIAL Paris** (world's largest food innovation fair), **PLMA Amsterdam** (private label trade show for retail buyers), **Anuga Cologne**, and **Horecava Amsterdam** (foodservice), supporting exhibitors with stand set-up, product displays, sampling, visitor engagement, and buyer meetings.
- Coordinated **product sampling, tastings, and brand activations** on stands, ensuring brand guidelines, product presentation, and samples were executed consistently.
- End-to-end event coordination: planning, logistics, exhibitor communication, staffing, scheduling, venue coordination, and on-site problem-solving under tight deadlines.
- Worked as Event Project Coordinator, Exhibition Coordinator, and Event Organizer for local and international brands, liaising with agencies, suppliers, venues, and sales teams.

June 2025 — Oct 2025 **Marketing and Product Management Intern, Avery Dennison** *Leiden*

- Supported marketing and product management projects focused on **process optimization** and improving marketing effectiveness at a global FMCG-packaging supplier.
- Created and coordinated **sales and marketing materials**, including brochures, sell sheets, newsletters, and internal communications.
- Supported campaign optimization through **data analysis, A/B testing, and performance tracking**.
- Maintained **product content and information** in digital systems, with a focus on accuracy, SEO, and online visibility; coordinated multiple stakeholders across international teams.

Sept 2022 — Jan 2023 **Trade Marketing & Events Intern, BLUETTI Energy B.V.** *Amsterdam*

- Supported the **brand and product launch** of BLUETTI's Netherlands operations, helping build brand awareness and market presence for a consumer brand entering the Dutch and European market.
- Coordinated **European trade show participation**: booth preparation, product displays, logistics, **POS and marketing materials**, and on-site product demonstrations to engage retailers, distributors, and end customers.
- Executed **brand campaigns** on LinkedIn and Instagram to drive awareness and engagement, aligning content with launch and event timelines.
- Worked closely with Sales on **B2B trade activities**: customer communication, lead follow-up after trade shows, and client visits with partners and distributors.
- Collaborated with internal teams, agencies, and external partners to keep marketing and event actions on schedule.

Sept 2025 — Mar 2026 **Part-time Barista, Starbucks** *Amsterdam*

- Hands-on **foodservice experience** in a global food & beverage brand: in-store promotions, product presentation, and customer service in a fast-paced team environment alongside studies.

EDUCATION
